James Stewart's photographer, lying on a broken leg, becomes obsessed with the life of his neighbors and suspects murder. The unusually vulnerable hero - as in Vertigo - increases the stake and ensures that the simple muscle will not save the day, while Hitchcock increases the tension unbearably putting Grace Kelly's fiancée into the lion's mouth. Even those of us who worshipped this song in the eighties must be torn from what is popular now. But the song turns out to be a map of today's America, which is why it is now much larger than it was in the 1980s. PS20th Century Fox This seems and behaves like a thriller, but in reality exploration of colonialism, guilt, paranoia and privacy of Michael Haneke cares more about subtext than fears or mysteries. Howarner Bros/Hawk Films/Kobal/Rex/Shutterstockone of those remakes that justifies remakes, Philip Kaufman's wonderfully skillful rotation on the alien-clone thriller of the McCarthy era translates evil into the age of of the '70s, with a little bit of post-Watergate panic thrown. the study in Toto played on Thriller, not to mention rock classics from Boz Scaggs to Steely Dan, which means all that grooveology is lurking deep in ¢ÃÂÂAfrica.¢Ã Thomas Pynchon put the song in his latest novel Bleeding Edge, where a crew of start-up dot-commers belt it in a NYC karaoke bar on the eve of 9/11, except they think it goes, ¢ÂÂÂI left my brains down in Africa.¢ÂÂA It shows up on TV from Stranger Things to South Park. The Los Angeles-based choir, Angel City Chorale, above, captured the Internet¢ÂÂAs imagination in a big way with their 2013 cover of Toto¢ÃÂAs 1982 hit, ¢ÃÂAAfrica,¢ÃA in which the group¢ÃÂAs 160 performers created a realistic-sounding thunderstorm using only their hands. Follow her @AyunHalliday. And visually it¢ÃÂÂs unparalleled. But there¢ÃÂÂs nothing phony about the desperate longing of ¢ÃÂÂAfrica,¢ÃÂA which is why it¢ÃÂÂs become a timeless pop standard. It's still the pinnacle of both Billy Crystal and Meg Ryan's careers. You¢ÃÂA think (or hope) the song would have been forgotten by now. For these portraits of inner-city poverty, gliding between frustration and triumph, Steve James¢ÄÂÂs epic of ghetto realities has been influential on every sports doc that has come in its wake. Rex FeaturesWhether you see it as Alfred Hitchcock¢ÄÂAs celebration of voyeurism or simply one of the most nail-biting thrillers ever made, it¢ÄÂAs a superb example of the Master of Suspense at work. Indy is ultimately irrelevant to the entire plot, but his indefatigable effort to do the right thing still inspires. HORex FeaturesIf we have learned anything from film noir, it is that murder pacts never work out well for both parties. Wilder and IAL Diamond script is a demonstration of just how dark a love story can be get without tipping entirely into bitterness, a standing rebuke to every lazy, schmaltzy comedy going. Nestor Almendros¢ÂÂs astounding magic-hour photography rightly won an Oscar, and Linda Manz supplies heartbreaking, plainspoken narration as Gere¢ÂÂs younger sister. But there's meat to their bones for adults to digest, especially in this towering fantasy epic. It¢ÂÂs a simple story about two elderly parents visiting their adult children, only to find that the younger generation is busy with other things. A well-to-do Parisian family are tormented by the arrival of surveillance tapes of their lives, but it¢ÄÄÄs not clear who could be sending them or why, leading patriarch Georges (Daniel Auteuil, never better) to confront his own past sins. Meanwhile, the screenwriter (Michel Piccoli) and his beautiful, bored wife (Brigitte Bardot) tussle and reconcile in an incessant, pained ballet. Jennifer Kent¢ÄÂs thoughtful Australian chamber shocker, a feast of inventive design, claws its way into you and leaves scratch marks. Interestingly, there¢ÃÂÂs not that much rain in the original. Even by clueless Eighties standards, the video was mind-blowingly racist, which might be why MTV barely played it. Ignore the dodgy politics and focus on the sublime physical comedy of Keaton¢ÃÂS beautifully composed routines. Aquaman is in cinemas now. With a who¢ÃÂÂs who of Hollywood in support, it¢ÃÂÂs a story that is as bizarre, hilarious and moving as family life itself. In the America of 2018, all roads lead to ¢ÃÂÂs Africa is a place that doesn¢ÄÄÅt exist and never did ¢ÄÄÅ this song has nothing to do with the continent, unless you count that groovy synth-kalimba solo.
